Professor of Digital Engineering

The University

The University of Limerick (UL) with over 17,000 students and 1,800 staff is an energetic and enterprising institution with a proud record of innovation and excellence in education, research and scholarship. The dynamic, entrepreneurial and pioneering values which drive UL's mission and strategy ensure that we capitalise on local, national and international engagement and connectivity.

We are renowned for providing an outstanding student experience and employability and conducting leading edge research. Our commitment is to make a difference by shaping the future through educating and empowering our undergraduate and postgraduate students. UL is situated on a superb riverside campus of over 130 hectares with the River Shannon as a unifying focal point. Outstanding recreational, cultural and sporting facilities further enhance this exceptional learning and research environment.

Applications are invited from suitably qualified candidates for two new Professor posts in the University of Limerick under the Senior Academic Leadership Initiative (SALI) Call 2022 in line with the requirements set out in the Higher Education Authority (HEA) Call document; https://hea.ie/assets/uploads/2019/06/Senior-Academic-Leadership-Initiative_Call-for-Applications-2020-2.pdf
