Assistant/Associate Professor in Cybersecurity

Job ID: 281847

About Us

Located in the fastest-growing region of the state, the University of North Georgia is a multi-campus university with an enrollment of nearly 20,000 students, making it one of the largest institutions in the University System of Georgia. UNG is focused on a mission of educational excellence, leadership development and community engagement opportunities that develop students into leaders for a diverse and global society.

Through a variety of educational pathways that provide access and range from certificates and associate degrees to a professional doctoral program, UNG is responsive to regional education and economic development needs. Federally designated as a senior military college, one of the university's signature leadership programs is its 800-member Corps of Cadets on UNG's Dahlonega Campus.

Job Summary

The Department of Computer Science and Information Systems in the Mike Cottrell College of Business (MCCB) invites applicants for a tenure-track assistant or associate professor position in Cybersecurity starting August 2025. The successful candidate will teach introductory and upper division Cybersecurity and Computer Science courses for Cybersecurity majors and minors, such as computer security, computer forensics, network security, database security, Linux operating system, and reverse engineering.

The teaching load is 18 semester credit hours per academic year. Additional teaching opportunities ay be available in the summer. Relevant credentials and experience in cybersecurity are highly preferred. Applicants are expected to demonstrate exemplary teaching, a strong publication record and research pipeline, and currency in their professional field. Quality teaching and student engagement and success are high priorities for the department, the college, and UNG. The position is located on the Dahlonega campus, but faculty may be asked periodically to teach on another campus as well.

Responsibilities

Responsible for teaching 18 semester credit hours each academic year of introductory and upper division Cybersecurity and/or Computer Science courses for Cybersecurity majors and minors, as well as some general education information technology courses.

Advise majors, participate in scholarship within the discipline, and engage in service activities for the department, college, university and profession.

Required Qualifications

- A doctorate in Cybersecurity or closely related field is required at the time of appointment. ABD may be considered with evidence that the degree is nearing completion

Preferred Qualifications

- Evidence of superior teaching abilities strongly preferred.
- Professional experience and/or relevant industry certifications in specialized areas in Cybersecurity is preferred.
- Record of being awarded competitive grants, especially at the federal level, is preferred.

Required Documents to Attach

- Resume/Curriculum Vitae, Cover Letter, and Transcripts
- Contact information for three professional references

Ultrasound Core Values

The University System of Georgia is comprised of our 26 institutions of higher education and learning as well as the System Office. Our USG Statement of Core Values are Integrity, Excellence, Accountability, and Respect. These values serve as the foundation for all that we do as an organization, and each USG community member is responsible for demonstrating and upholding these standards. More details on the USG Statement of Core Values and Code of Conduct are available in USG Board Policy 8.2.18.1.2 and can be found online at https://www.usg.edu/policymanual/section8/C224/#p8.2.18_personnel_conduct.

Additionally, USG supports Freedom of Expression as stated in Board Policy 6.5 Freedom of Expression and Academic Freedom found online at https://www.usg.edu/policymanual/section6/C2653.

Institutional Values

The University of North Georgia, a regional multi-campus institution and premier senior military college, provides a culture of academic excellence in a student-focused environment that includes quality education, service, research, and creativity. This is accomplished through broad access to comprehensive academic and co-curricular programs that develop students into leaders for a diverse and global society. The University of North Georgia is a University System of Georgia leadership institution and is The Military College of Georgia. More details on the UNG Mission, Values, Vision, and Culture can be found at https://ung.edu/about/mission-vision-values.php

Conditions of Employment

Offers of employment are contingent upon completion of a background investigation including a criminal background check demonstrating your eligibility for employment with the University of North Georgia, as determined by the University of North Georgia in its sole discretion, confirmation of the credentials and employment history reflected in your application materials and, if applicable, a satisfactory credit check. Applicants may be subject to a pre-employment drug test.

AKATECH

Equal Employment Opportunity

The University of North Georgia, a unit of the University System of Georgia, is an Affirmative Action/Equal Opportunity employer and does not discriminate on the basis of race, color, gender, sex or national origin, age, disability, religion, genetics or veteran status. Georgia is an open records state. Also, UNG is a federal contractor and desires priority referrals of protected veterans.

Other Information

- This is not a supervisory position.
- This position does not have any financial responsibilities.
- This position will be required to drive.
