Professor of Computer Science

Position: Professor of Computer Science

Location: Remote in New Brunswick, Canada

Employment Type: Full-Time

Position Overview:

The Faculty of Computer Science at UFred is seeking passionate and experienced educators to join our team. This role involves designing and delivering online coursework (asynchronous) that engages and challenges students, equipping them with the knowledge and skills required in the dynamic field of computer science.

Responsibilities:

Develop and deliver high-quality, online courses in computer science that align with UFred's mission and standards.

Foster an inclusive, supportive, and engaging virtual learning environment.

Utilize innovative teaching methods and digital tools to enhance the student learning experience.

Provide timely and constructive feedback to support student progress and success.

Collaborate with academic teams to continuously improve curriculum and course materials.

Establish and maintain a research program in their respective field.

Qualifications:

PhD in Computer Science or a closely related field.

Proven experience teaching in an online setting is highly desirable.

Strong commitment to diversity, equity, and inclusion within both the classroom and the institution.

Excellent communication skills and the ability to engage a diverse online student population.

Compensation Package

In addition to your base compensation, joining the UFred team means you will be part of a rapidly expanding organization. UFred values its employees and ensures they are able to enjoy Wellness and Balance.

Wellness and Balance: UFred employees actively utilize subsidized Health and Vision Care, as well as an RRSP Match program. They spend paid time off with those who are important to them between Christmas and New Years, as well as and on their birthdays. The possibility for flexible work arrangements, an Active Living Benefit, and Wellness Days are additional benefits enjoyed by our staff.

Location

The position is located in Fredericton, NB with the possibility to work remotely from anywhere in New Brunswick, and attend in-office meetings, as required. The ideal candidate should reside in New Brunswick or is willing to relocate.

Commitment to Diversity and Inclusion

The University of Fredericton is passionately committed to ensuring a positive and professional working environment in which all people are treated with dignity and respect. We value diversity, equity, and inclusion and aim to provide a fair and consistent method for filling job openings in support of equality of opportunity and cultural diversity within the company. We encourage applications from all qualified applicants, including women, persons with disabilities, Black, Indigenous, and People of Colour (BIPOC), people from the Lesbian, Gay, Bisexual, Transgender, Transsexual, Queer, Questioning, Two-Spirit, Intersex, Asexual + (LGBTQ2SIA+) community, and other equity-seeking groups.

We appreciate all applications received!
