Senior Lecturer (Computer Science)

Employer

AUSTRALIAN CATHOLIC UNIVERSITY (ACU)

Location

North Sydney, Australia

Salary

$173,601 - $188,476 total rem (pro rata) pa

Job No: APTAV129564#002

Are you passionate about building the computer science leaders of tomorrow?

Come and work with an innovative group of academics driving transformative student experiences.

Contribute to the development of ACU's Bachelor of Computer Science with Master of Data Science (vertical double).

Develop new partnerships and collaborations to drive social impact.

Full-time, continuing role based at our North Sydney campus, with flexible working conditions.

About the role:

Reporting to the Associate Professor, Computer Science, you'll be instrumental in teaching, researching, and building engagement in the disciplines of computer science, software engineering, information technology and / or data science.

The position will significantly contribute to the development of offerings in computer and data science and is expected to operate as part of a teaching team in the course.

You will bring to the role a track record in learning and teaching excellence, as well as a track record of successful grant applications, publications, partnerships and ensuring the teaching and research nexus.

For full position details, refer to the position description.

Contact:

General enquiries can be sent to: Richard.Dobek@acu.edu.au

What we offer:

The University pursues an excellence agenda and offers an environment where staff are welcomed and safe, and valued through development, participation and involvement.

Total remuneration valued to $173,601 - $188,476 total rem (pro rata) pa, including salary component $146,904 - $159,618 (pro rata) pa (Academic Level C), employer contribution to superannuation and annual leave loading. A 2.8% increase will be effective from the beginning of the last full pay period before 30 June 2025.

17% employer superannuation contributions to eligible continuing and fixed-term staff.

Annual leave loading of an equivalent to 17.5% of four weeks' salary pro rata payable, dependent on your commencement date.

As an ACU staff member, you will have access to generous benefits which include but not limited to: flexible work, study leave, a variety of leave provisions and salary packaging. Find out more information about the benefits or working at ACU here.

How to Apply:

Step 1: Review the Position Description and become familiar with Our Mission and the Application

process

Step 2: Click the 'View Position Description and Apply' button, and populate your candidate application details, including your:

resume (maximum 5 pages and must include your ORCID ID)

responses to the Selection Criteria and Core Competencies in a cover letter (maximum 2 pages) or in the online Declaration and Criteria application page.

brief online responses to any pre-screening employment questions.

Applications close: 23 FEB 2025 at 11:59pm AUS Eastern Standard Time

ACU is committed to fostering an inclusive workplace culture that values diversity and enables our people to reach their potential. This is underpinned by our mission and values, grounded in our respect for all people and the advancement of the common good. In line with our commitment to equity, diversity and inclusion we welcome candidates from all backgrounds and lived experiences. ACU is recognised as a Veteran Employment Supporter and veterans are encouraged to apply. ACU offers support for candidates that may require adjustments through the recruitment process. Please contact recruitment@acu.edu.au to discuss your requirements in confidence.

About ACU:

Australian Catholic University (ACU) is an inclusive community which welcomes students and staff of all beliefs. ACU has over 2,500 staff supporting more than 34,000 students across eight campuses - Ballarat, Brisbane, Canberra, Melbourne, North Sydney, Strathfield, Blacktown and Rome.

ACU aspires to be a home for our staff, offer the care of a family and develop an academic and professional community. Whatever your faith or culture, and whether you are academic or professional staff, there are many opportunities both for learning and contributing at ACU.

AKATECH

As valued members of our community, all staff members are expected to have an understanding of ACU's mission and values and to demonstrate an active contribution to them.

ACU does not accept candidate applications submitted by external recruitment agencies through the ACU careers website.
