THE UNIVERSITY

With over 85 years of rich heritage, The Hong Kong Polytechnic University (PolyU) has evolved alongside society and made pivotal contributions to the development of Hong Kong, the Nation and the world. The University pursues world-class excellence in education, research and knowledge transfer to nurture socially responsible leaders and professionals, as well as to drive impactful research and innovation. PolyU will strive to continually excel as an innovative world-class university that makes a positive impact on society, living up to the University's motto: "To learn and to apply, for the benefit of mankind".

Ranked among the top 100 universities globally by well-known ranking organisations such as Quacquarelli Symonds (QS), Times Higher Education (THE) and [U.S. News & World Report](#), PolyU offers a wide range of world-class educational and research programmes in seven faculties and three independent schools. PolyU has furthermore achieved remarkable results in the QS World University Rankings by Subject 2024 - it is ranked in the global top 20 for five subjects, is first in Hong Kong for four subjects, and is in the global top 100 for 21 subjects.

GLOBAL SEARCH

To steer its education and research in a wide spectrum of disciplines towards the highest levels of international excellence, PolyU has launched a global search for outstanding scholars to join the University to boost the leadership and impact of its educational and research activities.

In the 2025/26 academic year, PolyU will be recruiting for positions at various levels in all academic units as listed below. Please visit our website at <http://www.polyu.edu.hk/hro/job/en/globalsearch.html> for the details.

PRESIDENTIAL YOUNG SCHOLARS SCHEME

In addition, we are inviting outstanding young scholars to join us as Assistant Professors or Associate Professors. Appointees will be conferred the title of "Presidential Young Scholar" and offered an attractive remuneration package of not less than HK\$ 1 million per year as well as a start-up grant of not less than HK\$3 million to support research activities (including the admission of PhD students, purchasing of equipment, and hiring of research staff) in the initial three years.
