Assistant/Associate/Full Professor, Power Electronics

Job Description

The United Arab Emirates University invites applications for a position of Assistant, Associate, or Full Professor in Power Electronics. Qualified candidates at all levels will be considered at a rank commensurate with academic accomplishments. The application package should include a cover letter, a detailed resume, a brief description of current/future research activities, teaching philosophy, and courses taught. English is the language of instruction and communication. Screening of applications will continue until the position is filled.

Minimum Qualification

The faculty position is open to individuals who hold a bachelor degree in Electrical Engineering from a strong Electrical Engineering program in a recognized university; and a doctoral degree from a recognized university focusing on advanced research in the area of Power Electronics and Electrical Machines.

Preferred Qualification

Preference will be given to those with relevant industrial experience relevant university teaching and research experience in academic environments where English is the medium of instruction and protocol.

Expected Skills/Rank/Experience

The full-time faculty position is available at the rank of Assistant, Associate or Full Professor. Candidates are expected to have a strong commitment to teaching excellence and student advising at the undergraduate and graduate levels, a demonstrable research capability that will enable the candidate to develop and sustain an internally and/or externally funded research program in his/her area of expertise, publish his/her research findings in refereed journals, and actively engage in promoting the growth of the UAE University.

Special Instructions to Applicant

The review process will continue until the position is filled. A completed application must be submitted electronically at: https://jobs.uaeu.ac.ae/
